

FEATURES

- Captures airborne particles by circulating air through the media air cleaner
- Includes cabinet, powder coated access door and pleated MERV 11 media filter
- For all gas, oil and electric forced air furnace and air handler applications
- Can be used in both residential and commercial applications
- Galvanized metal cabinet resists corrosion
- Can be installed in upflow, downflow and horizontal applications
- Recommended to replace air filter after 12 months of use; more frequent replacement may be advised dependent on indoor air quality conditions
- Breeze33 pleated media air filters available for quick and easy replacement
